# LUXVISAGE

## COSMETICS

LUXVISAGE Ltd. is a key producer of decorative cosmetics in Belarus. The company was founded in 2001 and currently takes a leading position in the Belarusian makeup market.

Our products are in high demand in the markets of Belarus, Russia, Ukraine, Kazakhstan, Lithuania, Latvia, Estonia and Iraq.

LUXVISAGE offers more than 500 items of decorative cosmetics such as lipstick, lip gloss, mascara, foundation, eyeshadow, nail polish, etc.

We follow makeup fashion and always update our product range according to the latest trends in the cosmetics industry.

The company has its own production and storage areas of more than 3,000 m<sup>2</sup>, advanced and high-tech European equipment and a scientific laboratory for new product development.

This allows us to produce high quality makeup cosmetics at an affordable price.

## PIN UP ULTRA MATT

### ULTRA MATTE

24 colors

An advanced formula of PIN-UP ultra matt lip gloss with a matte finish and a comfortable texture.

The lightweight and soft formula does not dry lips, provides absolute comfort.

This lip gloss contains special microspheres for the "velvet touch" effect which fill and smooth lips.

Ultra matte and long-lasting finish, fashionable and highly pigmented colors are the main advantages of this product.

Thanks to the right formula, lip gloss helps to create a clear lip contour without liner.

The lip gloss specially formulated with vitamin E and beeswax to nourish and moisturize lips and keep them chaps and flakes free.

EYES

EYES

## MASCARA **XXL**

### SUPER VOLUME – FALSE LASHES EFFECT

Bestselling volume mascara with false lashes effect!

A stunning result from the first application: volume, length and perfect shape.

The excellent combination of mascara and innovative brush allows you to achieve super volume effect on all lashes. XXL mascara with false lashes effect perfectly coats and reaches every eyelash, separates, provides length and definition without flaking.

Light cream mascara texture with layering effect provides volume with every stroke.

## MASCARA **XXL**

### LENGTH-CURLING-VOLUME

This mascara perfectly coats, lengths, separates, and curls lashes from root to tip without clumping.

Your look will be more expressive and have eye-opening effect.

## MASCARA **XXL**

### VOLUME-SHAPE-SEPARATION

A triple action mascara will give a perfect shape to your eyelashes! Silicone brush coats every eyelash, perfectly separates and fixes.

The light mascara texture with lightweight formula keeps shape perfectly and does not irritate eyes.

## MASCARA **PERFECT COLOR** FAN OF FLUFFY LASHES

Bright and expressive look with full-fan effect!

A full volume mascara with layering effect helps create open look.

The light creamy texture is easy applied and lasts throughout the day without crumbling and smearing.

Comfortable silicone brush has bristles of different sizes. Short bristles capture and coat each eyelash, long bristles separate and provide fanned-out volume.

## MASCARA **PERFECT COLOR**

### PUSH UP EFFECT

A mascara that lifts lashes and gives a wide-eye look without flaking.

This mascara provides length and volume to all lashes and ultra black color makes the look more expressive.

Two-dimensional brush with bristles of different lengths gently curls and lifts lashes.

To get the Push Up effect use short bristles for coating, and long ones for curling.

## MASCARA **PERFECT COLOR**

### EXPRESS VOLUME AND LENGTH

A mascara for express volume and length!

The secret of this mascara is in perfectly matched mascara formula and thick brush.

Right size and shape of the brush with thick bristles provide express even coating of every lashes from root to tip.

Perfect color mascara gives lashes volume, length and definition.

## MASCARA **SMOKY EYES**

### LENGTHENING AND MULTIPLYING EFFECT

A mascara that delivers outrageous volume, extreme lengthening and makes the lashes ultrablack.

A combination of brush and creamy mascara texture makes look deep and mysterious.

The unique mascara composition with an innovative Hairdensyl complex provides lashes with growth and strengthening. It consists of four active ingredients: marine collagen, marine elastin, honey extract and marine glycogen. Mini silicone brush allows you to load product from root to tip, thoroughly separating and coating each eyelash.

The result: extreme lengthening, expressive thickness and deep black color. It is formulated without paraben and fragrance.

## MASCARA **SMOKY EYES**

### FALSE LASHES

Create a false lashes effect with Smoky Eyes mascara!

Ultra cream mascara texture perfectly coats, gives volume, separates and curls.

Mascara lifts lashes with extraordinary curl and delivers long-wear shape fixation.

It is formulated without paraben and fragrance.

## MASCARA **SMOKY EYES**

### FULL FAN VOLUME

Just a few strokes of the brush and you get an amazing fan lashes effect.

Volume, soft and delicate mascara formula for quick application and long-lasting effect.

Mini brush reaches and styles even the shortest lashes. Based on natural waxes mascara cares and nourishes your lashes.

It is formulated without paraben.

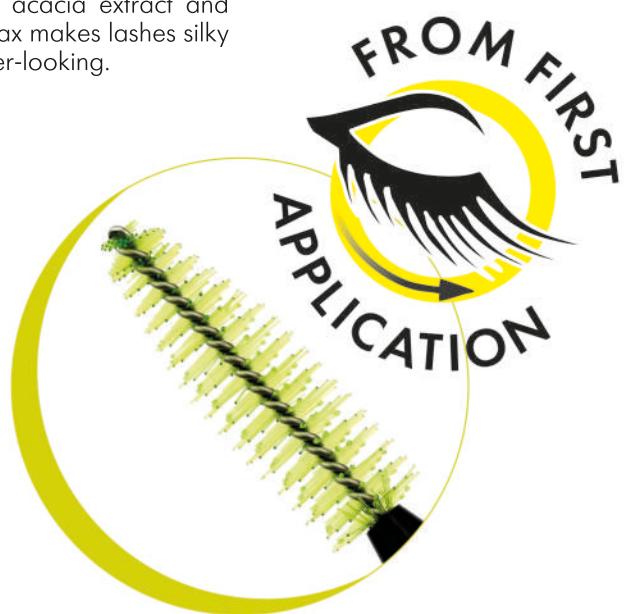

## MASCARA **KILLER**

### ROCK VOLUME & EXTREME LONG

Volume and length with the first application.

Specially designed fibre spider brush with microscopic bristles that deliver lashes super volume, perfect separation and give lashes deep black color.

The unique combination of Senegalese acacia extract and rice bran wax makes lashes silky and healthier-looking.

## MASCARA **CRAZY**

### TOTAL EFFECT

A multitasking mascara provides perfect separation, deep black color, lengthening, long-wearing and even coating.

The mascara formula allows you to create any look: from elegant to incredibly bold.

Innovative fan brush coats every lash without flaking and weighting. Short bristles capture and style the smallest lashes. Long bristles deliver lifting, length and wide-open look.

\*Paraben and fragrance free

## MASCARA **CRAZY**

### VOLUME & LIFT UP

A mascara gives your lashes ultimate volume, length and curl.

Comfortable curved brush with shorts bristles offers spectacular volume, high lifting and curling power.

Just a few strokes - and your look is expressive and irresistible.

Light creamy texture is easily applied and allows you to layer mascara to achieve the desired volume effect.

For super volume effect, apply two layers of mascara.

MASCARA

## 3D

### EXTRA VOLUME – SEPARATION – CURLING

Triple coating system, separation and curling.

This mascara evenly applied, delivers volume, length and perfect separation. The full contact brush curls and coats lashes from all sides, creating 3D effect.

MASCARA

## 3D

### VOLUME – LENGTH – ULTRA BLACK

An ultra black mascara is quickly and easily applied, provides volume and length without crumbling and smudging.

Long-lasting formula with Carnauba wax allows you to create a perfect eye make-up throughout the whole day.

MASCARA

## SECRET

### LUXURIOUS LASHES

3 colors

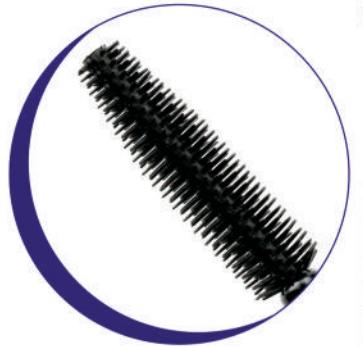

This mascara gives lashes volume and length.

The light mascara texture creates intense and luxurious lash look. It guarantees long-lasting result without smearing, crumbling and smudging.

The unique brush allows you to apply the optimal amount of product in one easy stroke and intensely coat lashes providing root to tip volume.

Ultramarine blue mascara emphasizes your eye color and helps create a fashion look.

Brown mascara of dark chocolate shade gives softness and warm shine to your look.

### MASCARA

## PIN UP

### DOLL LASHES

Create incredible bright and spectacular eye make-up with Pin Up Doll Lashes mascara.

This mascara makes your lashes look extreme lengthened, curled, defined and more voluminous like the "Doll Lashes" effect.

Special Hairdensyl complex - a combination of four components: stimulates lash growth, maintaining a high level of protection and providing deep nourishment.

The deep black color highlights lashes, emphasizing the radiance and brilliance of your eyes.

### MASCARA

## PIN UP

### MEGA SIZE

With the very first application, mascara gives lashes buildable volume and from root-to-tip separation.

One stroke of the brush and lashes instantly become thick and long, making look charming and expressive.

Pin UP mascara with layering and styling effect is easily removed. Formulated with natural waxes and vegetable polymers that deliver ultimate length and mega volume.

Contains Senegalese acacia extract and rice bran wax.

### MASCARA

## MIXX

### VOLUME, LENGTH, CURL

A volumizing mascara provides extra volume and length.

Thanks to the microfiber brush that evenly coats lashes from root to tip for instant volume and extreme length.

Intense black color makes your look bright and expressive.

MICROFIBER BRUSH

## FELT TIP EYELINER

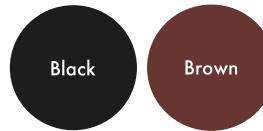

# PERFECT COLOR

2 colors

A long-lasting liquid liner for an effortless and precise application.

The superfine brush tip and long-wearing texture glide on smooth and precise lines that last all day. Experience the crisp color intensity in the light water-based formula that dries fast.

Store horizontally or with the tip down to keep the product quality.

## EYELINER

# LUXVISAGE

Luxvisage eyeliner for long-wearing and perfect lining!

The long-wearing gel eyeliner offers all-day-long wear that doesn't bleed, or smudge. It dries fast and doesn't feel heavy on your lids.

It can be removed with a regular makeup remover.

Achieve eye perfection with this intense black pigment.

Optimal stiffness tip follows your motions creating sharp controlled lines.

## EYE PENCIL

#### STRENGTHENING AND PROTECTION

Helps protect nails from breaking and resist splitting.  
Let your manicure shine with these nail product.

## LIP OIL

**LUXVISAGE**

PERFECT NATURAL SHINE AND  
EXCELLENT LIP SKIN CARE

It is a beauty elixir that combines perfect natural shine and excellent lip skin care.

The almond and sea buckthorn oils soothe, soften and protect lips, vitamin E intensively restores and renews the damaged lips.

Thanks to light, non-sticky texture and convenient applicator, the oil is well applied. It is quickly absorbed and gives lips softness and comfort.

Visible immediately effect after application: the lips look smoothed and more moisturized. Lip oil promotes natural lip color and transparent shine.

It prepares lips before lipstick application, it is great to use alone as a lip gloss or over the lipstick for a glossy effect and additional volume.

## LIP BALM FOR KIDS

**GIRL -KITTY**

GENTLE CARE AND MAGIC SHINE

Little princesses will be able to keep their lips soft and smooth.

The balm with a delicate pink shade and pearl shine gently protects children's lips against environmental damage.

It contains sea buckthorn oil and vitamin E, which nourish and heal the lips.

LIP BALM  
**HELP**  
INTENSE CARE  
FIRST AID FOR DAMAGED,  
DRY AND CHAPPED LIPS

A balm is enriched with natural ingredients to provide lip care for the whole family. Vitamins A and E nourish and restore lips, natural tea tree oil is a natural antiseptic and works as wound healing.

## LIP BALM

### MEADOW HERBS SAGE-CALENDULA

#### NATURE LIP CARE AND ABSOLUTE COMFORT

Thanks to natural ingredients, the balm protects lips, nourishes and defends against dryness and chapping while keeping lips moisturized.

## LIP BALM

### MEADOW HERBS CAMOMILE - SAINT JOHN'S WORT

#### A BALM HAS ANTI-INFLAMMATORY EFFECT, SOFTENS AND SOOTHES LIPS

The lip treatment perfectly protects against negative external factors, creating an invisible barrier. It helps restore epidermal cells, stimulates regeneration processes.

The balm consists of natural ingredients and contains extracts of medicinal herbs - chamomile and St.-John's wort that provide lip care, moisturizing them and healing the cracks.

## LIP BALM

### HONEY WITH SEA-BUCKTHORN NOURISHMENT AND RECOVERY

A balm moisturizes, softens, nourishes and heals small cracks.

The balm protective formula with beeswax and vitamin E has an anti-age effect: lips feel and look softer and smoother. Castor oil has a moisturizing effect. Sea buckthorn oil gives lips elasticity, heals small chaps and promotes fast regeneration.

## LIP BALM

### HONEY WITH PROPOLIS AND TEA TREE OIL

#### PROTECTION AND REGENERATION

Super intense lip treatment for very dry, irritated and chapped lips.

The formulation contains an active ingredient - natural honey, which is known for its anti-inflammatory and regenerating action.

Tea tree oil has a strong antiseptic effect, reduces inflammation. Propolis softens lips, heals it and saves it from overdrying.

### LIP BRUSH #1

A flat rounded brush is ideal for precise lip contour and even color application.

### EYE SHADOW BRUSH MINI #3

A brush is great for applying color in the eye socket area, creating a beautiful eyeliner and placing additional details.

### EYE SHADOW OVAL BRUSH #5

An oval brush for applying base shadows and soft blending.

### EYE SHADOW BLENDING BRUSH #7

A soft and elastic brush with natural fibres perfectly blends shadows, creating a delicate haze.

### FOUNDATION BRUSH #11

A flat brush for even applying foundation to the face including areas around the eyes, nose and mouth.

### EYE AND BROW BRUSH #2

An angled cut brush for applying eyeliner, blending eyepencil and creating brow shape.

### EYE SHADOW BLEND BRUSH #4

A flat brush for shadow application and soft blending, defining eyelash and crease areas of the eye.

### EYE SHADOW BRUSH MAXI #6

A brush for applying and blending pressed powder and cream eyeshadows and concealer. Perfectly picks up and transfers pigment.

### FAN BRUSH #10

A lightweight fan brush is the perfect tool for applying and blending highlighter and removing any excess powder and other products from the face and under the eyes.

### BLUSH BRUSH #13

A fluffy angled brush for seamless blush application and soft blending.

### POWDER BRUSH #15

A large soft brush for perfect applying and setting powder in a thin even layer, creating a light veil on the face.

### CONTOURING BRUSH #17

A contouring brush made with natural fibres is good for soft application, highlighting facial contours and blending shades. Optically blurs the skin tone and creates a natural-looking finish.

### EYELASH AND BROW BRUSH #21

A spiral brush is used to separate eyelashes and style eyebrows shape.

### CONTOUR BRUSH #12

An angled brush delivers even product application, perfect bleeding without clear lines on the skin.

### FOUNDATION BRUSH KABUKI #14

A foundation brush designed to give flat and full coverage, providing flawless and natural skin look.

### FACE POWDER BRUSH #16

A multitasking brush is excellent for applying and blending pressed powder products. Soft brush bristles provide thin layer of powder allowing you to fix your make-up.

### oval buffing brush #20

An oval brush is ideal for application and buffing liquid or cream textures. Its soft and dense fibers allow for buildable coverage with a flawless finish.
